

Appalachia Service Project: Local Volunteer Program

Appalachia Service Project (ASP) is a Christian ministry, open to all people, that inspires hope and service through volunteer home repair in Central Appalachia. ASP utilizes volunteer labor throughout the year to address critical housing needs in five states: KY, NC, TN, VA, and WV. Home repair is free of cost to applicants.

What will we be doing?

ASP is inviting local volunteers to partner in our mission and serve in your own communities. Youth ages 14+ and adults are welcome to volunteer in their own communities with ASP's Year Round Programs in Jonesville, VA; Sevier County, TN; Tri-Cities, TN; and Guyan Valley, WV.

ASP also welcomes volunteers to all 26 locations across five states for a week during the summer, from mid-June through the end of July. Volunteers with varying skill levels are welcome! ASP will match you and/or your work crew with an appropriate project, provide all materials, and give instructions on how complete the task. Common projects include weatherization, wheelchair ramps, porches, painting, installing flooring, and more.

How do I get involved?

Work Crew	Individuals
Bring up to 7 people per work crew (ages 14+, at least 2 adults/crew) for 3-5 days	Special position for adult individuals (19yrs +) who are <i>moderately to highly skilled</i> , free to participate
Suggested donation of \$110 per day per work crew, all funds go directly into projects. ASP will not turn volunteers away due to a lack of funds	Join other volunteers on a work site and assist with various projects
ASP staff will match your skills with the project. Bring what tools and safety equipment you have, and ASP provides the rest	ASP staff will match your skills with the work crew and projects. Bring what tools and safety equipment you have, and ASP provides the rest
