7.1 Closing. County and Camp agree to close the transaction contemplated by this Agreement the week of August 18, 2025 or such other date as to which the parties may agree; however, in no event shall closing be later than September 1, 2025; such closing shall occur remotely through the Title Company via escrow exchange of documents and funds, or at such other place and at such exact date as may be agreed upon by the parties hereto (“Closing”). However, the parties acknowledge that they have entered into that certain Agreement of Purchase and Sale, dated May 13, 2025, as thereafter amended, wherein Camp agreed to sell, and County agreed to purchase, certain real property, and the parties further agreed to an even exchange of certain other real property, all such property being within Camp Landing, subject to the terms and conditions set forth therein (“Concurrent Purchase Agreement”). SIMULTANEOUS CLOSING ON THE

TRANSACTION CONTEMPLATED BY THE CONCURRENT PURCHASE AGREEMENT, AND THE SATISFACTION OF ALL CONDITIONS TO SUCH CLOSING, SHALL BE A CONDITION PRECEDENT TO ANY OBLIGATION ON CAMP AND COUNTY TO CLOSE ON THE TRANSACTION EMBODIED BY THIS AGREEMENT. MOREOVER, CAMP AND COUNTY SHALL BE ABSOLUTELY IMMUNE FROM ANY AND ALL CLAIMS WHATSOEVER ARISING THROUGH, FROM, UNDER, BY, OUT OF, OR IN CONNECTION WITH THIS AGREEMENT UNLESS AND UNTIL THE CLOSING OF THE TRANSACTION CONTEMPLATED UNDER THE CONCURRENT PURCHASE AGREEMENT; PROVIDED, HOWEVER, THAT NOTHING IN THIS SECTION OR THIS AGREEMENT SHALL OR MAY BE CONSTRUED AS A WAIVER BY COUNTY OF ANY IMMUNITY ENJOYED BY IT AT COMMON LAW, UNDER THE LAWS OF THE COMMONWEALTH OF KENTUCKY, OR UNDER THE LAWS OF THE UNITED STATES.

7.2 Camp's Documents; Other Deliveries. At Closing, Camp shall execute and deliver to County and Title Company the following documents, and shall also make the other deliveries provided for hereinafter, all as follows:

7.2.1 A Special Warranty Deed, for the Property (the “Deed”), proper for recording, conveying fee simple, insurable, and marketable title in the Property to County, free, clear, and unencumbered both of record and in fact, subject only to the Permitted Exceptions. The Deed shall also contain the following restrictions and rights:

(i) Restrictive Covenants. The Deed shall contain two restrictive covenants. The first restrictive covenant shall restrict the use of the Property for use solely as a sports complex, exposition center, and convention center (the “Complex”) for a period of twenty (20) years (the “Use Restriction”), except that the Use Restriction shall provide that the Complex constructed on the Property may be used as a temporary emergency shelter by the County in the event of a natural disaster. The second restrictive covenant shall prohibit the sale, lease, or transfer of the Property by the County to any other person or entity for a period of twenty (20) years unless consented to in writing by Camp and either Jason Camp, individually, or Elisabeth Camp, individually.

(ii) Right of Reversion. Camp shall have a right (a “Right of Reversion”) permitting Camp, at its option, to regain ownership of the Property in the event that the County has not closed on the financing and have completed significant construction of the Complex within the three (3) years following the date the Deed is recorded. For purposes of this section, significant construction shall mean County shall have completed actual construction (not including legal, engineering, architect, and design fees) in excess of \$ _____ on the Property. If Camp exercises its Right of Reversion within 90 days after said three (3) year period has expired, Camp shall pay County within six months of exercising its Right of Reversion, the actual amount of costs the County expended to purchase and improve the Property, not to exceed \$ _____, and County shall convey the Property back to

Camp by Special Warranty Deed conveying free and marketable title without further consideration and free and clear of all liens and encumbrances of any kind. The right of reversion as set forth above shall be contained within the Deed from Camp to County.

7.2.2 The fully executed Declaration to be recorded at Closing.

7.2.3 Documents satisfactory to counsel for County, indemnifying County from all liability and expense, including reasonable attorneys' fees, that County may incur in connection with unfiled mechanics' liens in the event of any work being completed or performed, or material being furnished, at, on, or about the Property prior to Closing.

7.2.4 All consents that may be required from any third person or entity in connection with the sale of the Property.

7.2.5 Copies of all licenses, permits, authorizations, and approvals, if any, required by law and issued by all governmental authorities having jurisdiction over the Property.

7.2.6 A copy of the resolution from all of Camp's directors, general partners, or members, as applicable, evidencing authorization of the individual acting for Camp and authorization and approval of this Agreement and the transaction contemplated herein.

7.2.7 A Certification of Non-Foreign Status pursuant to Section 1445(b)(2) of the Internal Revenue Code substantially in the form attached hereto as Exhibit B and an IRS Form 1099-S.

7.2.8 A Transfer Tax/Conveyance Fee Statement, consideration affidavit, or any other applicable state requirements in connection with the recording of the Deeds.

7.2.9 A certificate from Camp reaffirming the accuracy and completeness of the representations and warranties made in this Agreement.

7.2.10 A settlement statement.

7.2.11 Such other documents or instruments, including a typical Title Affidavit, Errors and Omissions Agreement and GAP Indemnity, as may be reasonably required by County or the Title Company, as required by other provisions of this Agreement, or as reasonably necessary to effectuate the Closing.

All of the documents and instruments to be delivered by Camp hereunder shall be in form and substance reasonably satisfactory to counsel for County.

7.3 County's Documents. At Closing, County shall deliver to the Title Company (for disbursement to Camp upon the Closing) the following items with respect to the Property being conveyed at such Closing:

7.3.1 The full Purchase Price as required by Section 1.2 hereof plus or minus the adjustments or prorations required by this Agreement and contained in any settlement statement. If at Closing there are any liens or encumbrances on the Property that Camp is obligated or elects to pay and discharge, Title Company may use, subject to Camp's consent, any portion of the Purchase Price to satisfy the same, provided that Camp shall have delivered to Title Company, on such Closing instruments in recordable form sufficient to satisfy such liens and encumbrances of record (or, as to any mortgages or deeds of trust, appropriate payoff letters, acceptable to the Title Insurer), together with the cost of recording or filing such instruments. The existence of any such liens or encumbrances shall not be deemed objections to title if Camp shall comply with the foregoing requirements.

7.3.2 Counterpart of the settlement statement executed by County.

7.3.3 A copy of the resolution of the Fiscal Court of the County of Boyd, Kentucky evidencing authorization of the County to enter into this Agreement and evidencing authorization of the official acting on behalf of County to consummate the transactions contemplated herein.

7.3.4 A copy of the appraisals sufficient for closing.

7.4 Possession. Camp shall deliver sole and actual possession of the Property to County at Closing free and clear of all parties in possession.

7.5 County's Conditions. The obligation of County to close the transaction contemplated hereby is subject to the following conditions, which are inserted for County's sole benefit and which may be waived by County at its sole option only by written notice to Camp:

7.5.1 Representations and Warranties True at Closing. The representations and warranties of Camp contained in ARTICLE 11 of this Agreement shall be true on and as of the date of Closing in all material respects as though such representations and warranties were made on and as of such date.

7.5.2 Performance of Camp's Covenants. Camp shall not have breached any material covenant contained in this Agreement to be performed by Camp on or prior to the date of Closing.

7.5.3 Approval of Inspections and Title. County shall have either affirmatively approved or shall have been conclusively deemed (pursuant to the terms of ARTICLE 6 hereof) to have approved all of the matters set forth in ARTICLE 6 in respect to which County has, under the provisions of this Agreement, a right of inspection and/or approval, and Camp shall have remedied any title Defects and/or Additional Defects that are not deemed Permitted Exceptions pursuant to the terms of ARTICLE 6 hereof (or shall have provided for the simultaneous remedy of such Defects and/or Additional Defects at Closing, to the Title Company's reasonable satisfaction).

7.5.4 Mortgages. Camp's mortgagees and the Pace lienholders shall have approved and consented to this Agreement and to partially releasing their liens on the Property to the extent Camp will not fully pay and discharge such liens.

7.5.5 Delivery of Camp's Closing Documents. Camp shall have timely delivered to County in satisfactory form the documents and all other items required by this Agreement.

7.5.6 Title Policy. The Title Company shall at Closing have delivered or irrevocably committed itself in writing to issue and deliver the Title Policy.

7.5.7 No Moratorium. There shall, at the time of Closing, be no moratorium, either then existing or planned for the future, that would inhibit County's ability to commence development of the Property for County's intended use and operation.

7.5.8 Governmental Approvals. All necessary or desired governmental approvals and permits for County's intended development and/or use of the Property shall have been obtained.

If any or all of the above conditions are not satisfied as of the date set for Closing, then County shall have a right, in its sole discretion, either to (i) extend the Closing as reasonably necessary for Camp to remedy the unsatisfied condition, in which Camp desires to remedy and in which case Camp shall work diligently and in good faith to remedy the unsatisfied condition; (ii) terminate this Agreement by written notice to Camp, and neither party shall have any further rights or obligations hereunder other than those rights and/or obligations that are expressly stated herein to survive expiration or termination of this Agreement; and/or (iii) elect to close notwithstanding the unsatisfied condition.

7.6 Camp's Failure to Close. In the event that Camp fails to close the transaction contemplated by this Agreement in accordance with the terms of this Agreement, County may, at its sole option, (a) elect to enforce the terms hereof by action for specific performance or (b) terminate this Agreement by notice to Camp. Upon any termination above, the parties shall have no further rights and obligations hereunder other than those rights and/or obligations that are expressly stated herein to survive expiration or termination of this Agreement.

ARTICLE 8 PRORATIONS, ADJUSTMENTS AND EXPENSES

8.1 Real Estate Taxes. Real estate taxes and installments of assessments shall be prorated as of the date of Closing based upon the most recent real estate tax bill for the Property issued by the applicable governmental authority or authorities, as is customary for transactions of this type in Boyd County, Kentucky. Camp shall be responsible for all real estate taxes and assessments allocable to the time period on or before the date of Closing. County shall be responsible for all real estate taxes and assessments allocable to the time period from and after the date of Closing. Camp and County acknowledge that the Property, as of Closing and for a period of time after Closing, may not to be reflected on the records of Boyd County as a separate tax parcel due to the Subdivision. Until such time as a separate tax bill is issued for the Property (as opposed to a tax bill which includes both the Property and the Retained Property), (i) Camp shall forward to County, upon receipt, a copy of the tax bill corresponding to the Property and Retained Property, and (ii) Camp and County shall prorate the taxes shown thereon based on the respective

auditor land value of the Property versus the Retained Property (based on acreage) and the respective auditor value of the improvements located upon the Property versus the Retained Property. Camp shall be responsible for paying such tax bill prior to delinquency. County shall be responsible for reimbursing Camp for County's prorated portion of such taxes within fifteen (15) days after receipt of evidence of Camp's payment. The provisions of this Section shall survive the Closing.

8.2 Estimates. All items that are not subject to an exact determination shall be estimated by the parties. Except for real estate taxes, when any item so estimated is capable of exact determination after Closing, the party in possession of the facts necessary to make the determination shall send the other party a detailed report on the exact determination so made, and the parties shall adjust the prior estimate within ten (10) days after both parties have received such reports.

8.3 Other Expenses. Camp shall pay for any transfer tax and/or conveyance fee in connection with the sale of the Property and any recording charges necessary to discharge and release any liens or encumbrances on the Property. County shall pay any recording charges for the Deeds to the Property, Declaration, subdividing plat, and the cost of the Title Commitment, Title Policy, Survey, the Appraisal, and any other due diligence investigations of the Property made by County. Escrow fees, if any, will be paid one-half (1/2) each. Any other miscellaneous Closing expenses properly allocable to both parties shall be paid for by County and Camp one-half (1/2) each. Each party shall pay for its own legal and accounting fees and incidental expenses. The provisions of this ARTICLE 8 shall survive the Closing.

ARTICLE 9 BROKERS

Camp represents and warrants to County, and County represents and warrants to Camp, that it has dealt with no agent or broker who has in any way participated as the procuring cause of the sale of the Property. Any brokerage fees or commissions that may be claimed shall be the sole responsibility of the party breaching the warranties aforesaid. Each party agrees to indemnify and hold harmless the other from and against any and all judgments, costs of suit, reasonable attorneys' fees, and other reasonable expenses that the other may incur by reason of any action or claim made against the other by any agent, advisor, or intermediary appointed by or instructed by Camp or County, as the case may be, arising out of this Agreement or any subsequent sale of the Property to County. The indemnity obligations of this ARTICLE 9 shall survive Closing or the termination of this Agreement and shall not merge in Closing or in the Deed.
