Amendment To Notice of Assessment

PROPERTY ADDRESS: 10699 US-60, Ashland, KY 41102

PIDN: 016-00-001.00

The undersigned official is charged with the duty of collecting real property taxes of the County of Boyd, Kentucky (the **County**) with an office at 2800 Louisa Road, #106, Catlettsburg, Kentucky 41129, for and on behalf of Boyd County acting under Kentucky Revised Statutes Section 65.205 through 65.209, inclusive, as amended (the **Act**),

The County previously levied an assessment (the **Original EPAD Special Assessment**) against and lien upon the real property situated in Boyd County (the **Original Property**) owned by Camp Investments LLC, a Kentucky limited liability company (the **Owner**), in connection with an energy project (as defined in the **Act**) made or to be made to the **Property**. The County caused a Notice of Assessment dated October 22, 2024, and recorded on October 22, 2024, in the office of Boyd County Clerk as Document Number 10031118, Book 133, Pages 262-270 (the **Original Notice of Assessment**).

The amount and repayment of the **Original EPAD Special Assessment**, as determined by the **Owner**, verified by the **County** are as follows: an installment payment plan is in effect for payment of the assessment, and the installments are calculated in order to repay the principal amount of \$4,304,300.00 with interest at an annual fixed rate equal to 8.48% plus any capitalized interest (the **Installment Amount**), an annual administrative fee to Energize Kentucky of 0.5% of the **Installment Amount** with a minimum amount of \$500.00 and a maximum amount of \$2,000.00, an annual collection fee to the special assessment collection entity in the amount of \$500.00, an annual administrative fee to PACE Equity LLC in the amount of \$1,200, or any additional fees and expenses payable under the petition for assessments and the related EPAD Program Financing Agreement (the **Tri-Party Agreement**) between the **County**, the **Owner**, and PACE Equity LLC (the **Investor**) and the PACE Agreement (the **PACE Agreement**, together with the **Tri-Party Agreement** and the **Original Notice of Assessment**, the **EPAD Documents**) between the **Owner**, and the **Investor**. The installments described above and their due dates are stated on the attached **Attachment B**.

The **County** and **Owner** entered into that Agreement of Purchase and Sale dated May 13, 2025 (the **PSA**), to which the **Owner** conveys to **County** a portion of the **Original Property**. **County** and **Owner** are now entering into that certain Partial Release dated August __, 2025 (the **Partial Release**), to release the portion of the **Original Property** being conveyed under the **PSA** from the **Original EPAD Special Assessment**. In accordance with the **Partial Release** and the **EPAD Documents**, the **Investor** authorizes the release of the portion of the **Original Property**, an amendment of the **Original Notice of Assessment** and to cause the **County** to levy the **Original EPAD Special Assessment** against and lien upon the remaining real property as described more particularly on the attached **Attachment A** (the **Property**).

The undersigned official charged with the duty of collecting real property taxes for the County, for and on behalf of the County acting under the Act therefore LEVIES THE ORIGINAL EPAD SPECIAL ASSESSMENT AGAINST AND LIEN UPON the Property.

This Amendment to Notice of Assessment, together with the Original Notice of Assessment, constitutes a certificate of lien and is filed under the Act to evidence a lien for the assessments imposed on the Property for the benefits conferred upon the Property by the energy project constructed on the Property. As provided in the Act, this lien takes precedence over all other liens or encumbrances except liens for taxes or other assessments, which liens for taxes and assessments are pari passu with this lien. This lien has been assigned by the City to the Investor to secure the repayment of amounts made available by it to finance an energy project (as defined in the Act) pursuant to the PACE Agreement.
